

Community Remembrance Creation

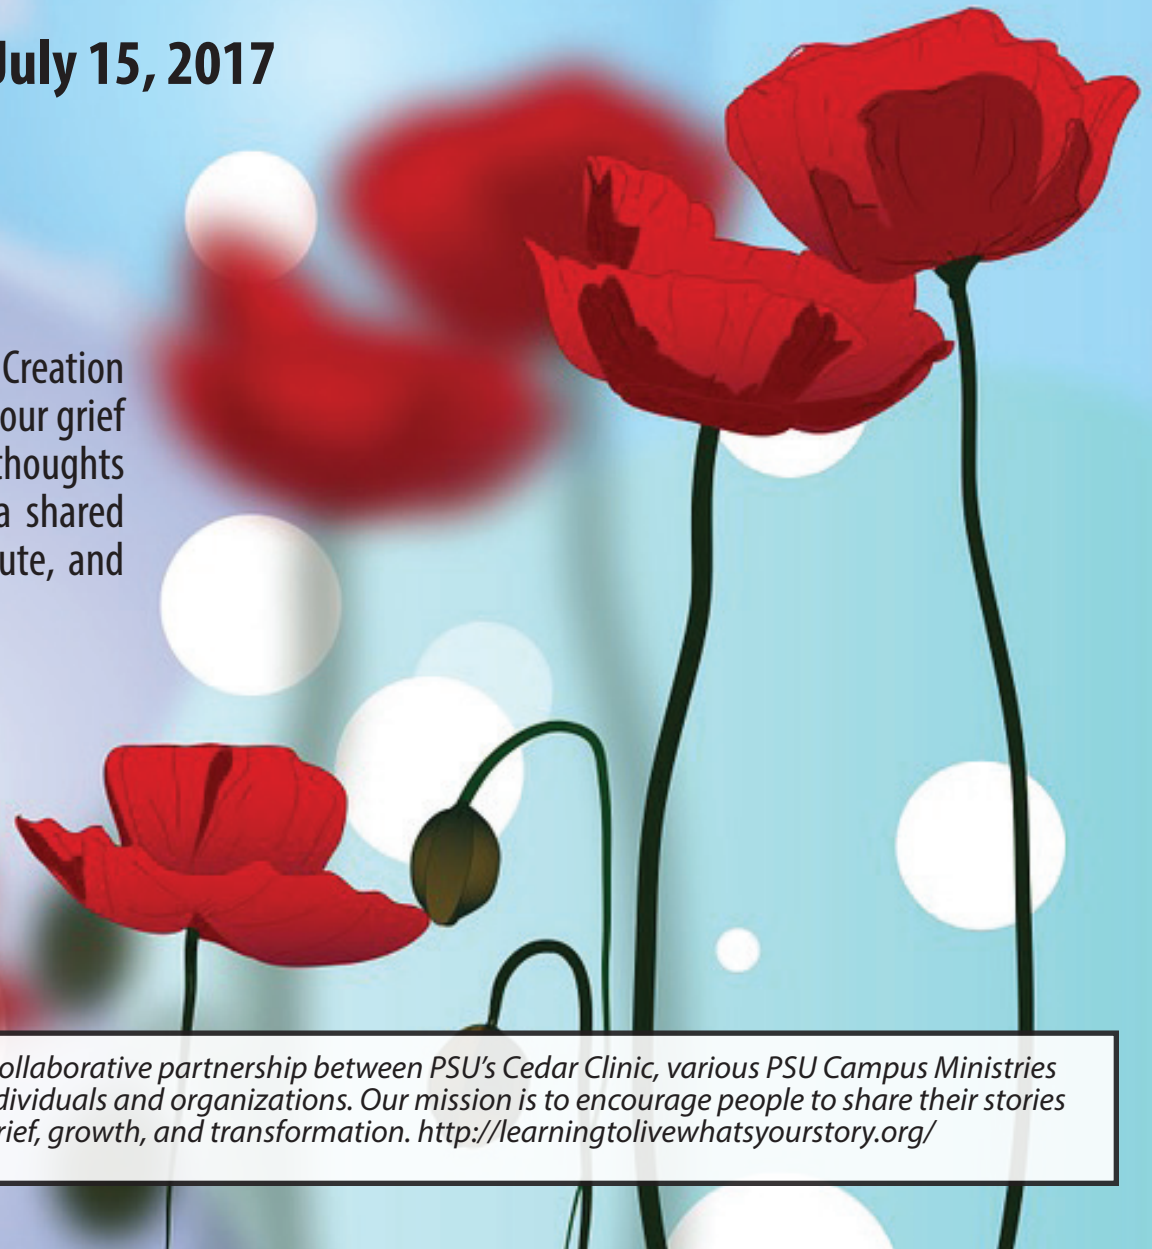

Wednesday, July 12 through **Saturday, July 15, 2017**

1:00-3:00 p.m. each day

State College Presbyterian Church

(Rear Porch, on the corner of Highland Alley and Fraser St.)

Please stop by and help our Community Remembrance Creation come to life. Using art, we'll honor lost loved ones and our grief journeys by creating a "thought bubble" to express our thoughts and feelings in a word or phrase. Grief and loss is a shared experience, so we hope you'll come connect, contribute, and heal.

Brought to you by: Learning to Live: What's Your Story?, a collaborative partnership between PSU's Cedar Clinic, various PSU Campus Ministries and area churches, Tides, Koch Funeral Home, and other individuals and organizations. Our mission is to encourage people to share their stories of how they are learning to live with loss – loss, grief, growth, and transformation. <http://learningtolivewhatsyourstory.org/>
